

ISCA-33 Travel Grant Form

SIGARCH, TCCA, and the ISCA Industry Sponsors are providing a significant amount of funds for travel grants for student members of SIGARCH and/or TCCA to attend ISCA 2006. Funds can be requested to cover transportation and lodging (limited to travel and hotel from June 16th – June 21st). Meals and symposium registration will not be funded (they are already greatly reduced thanks to ISCA Industry Support). The application deadline is Thursday May 11th, 2006 and recipients will be notified by May 15th (you will still be able to secure a hotel room at the early rate until May 17th). Applications must be received by the deadline - applicants are encouraged to submit via email.
