

ISCA 2026 Sponsorship Opportunities

We are very excited to announce that the 53rd IEEE/ACM International Symposium on Computer Architecture (ISCA'26) will be held in Raleigh, NC, USA. The conference typically attracts more than 700 attendees, who are comprised of technical leaders and practitioners from academia, industry, and government agencies, as well as consistently strong participation from students from around the globe.

What makes ISCA sponsorship unique:

- Flagship computer architecture conference.
- Expected huge attendance of 700+ in-person participants including technology/industry/academia/government leaders in the areas of processors, accelerators, platforms, and systems, as well as high-quality graduate and undergraduate students from around the globe.
- Highly interesting program, including engaging panels and keynotes.
- Five sponsorship levels are available.
- To be held at the Raleigh, North Carolina, conveniently located at close distance from Research Triangle Park, major universities like NC State, Duke, and UNC CH, as well as city landmarks and attractions.

ISCA has traditionally received strong financial support from industry, with several leading companies having consistently supported the conference for a decade or longer. We expect to continue to receive such strong support for ISCA'26 from our industry and corporate partners, including your company!

James Tuck and Huiyang Zhou (ISCA'26 General Co-Chairs)
Yuanchao Xu and Samira Mirbagher (ISCA'26 Finance Co-Chairs)
Jin Wang and Rajeshwar Vanka (ISCA'26 Industry Liaison Co-Chairs)

Conference Events & Technical Areas of Interest

ISCA'26 is a 5-day conference featuring the following technical programs and events:

- Main Technical Program
- Workshops
- Tutorials
- Keynote(s) and Panel(s)
- Welcome Reception
- Awards Ceremony
- Conference Banquet
- Conference Excursion

The areas of technical interest of the ISCA'26 conference include, but are not limited to:

- Processor, memory, and storage system architecture
- Parallelism: instruction, thread, data, multiprocessor
- AI Accelerators
- AI security
- Datacenter-scale computing
- IoT, mobile, and embedded architectures
- Interconnection network, router, and network interface architectures
- Architectures for emerging applications including bioinformatics
- Architectural support for programming languages or software development
- Architectural support for interfacing with accelerators
- Architectural support for security, virtual memory, and virtualization
- Dependable processor and system architecture
- Architectures for emerging technologies including novel circuits, memory technologies, quantum computing, etc.
- Quantum computing systems
- Architecture modeling, simulation methodologies, and tools
- Evaluation and measurement of real computing systems
- Human factors and user studies

Sponsorship Options

Benefits		<i>Diamond</i>	<i>Platinum</i>	<i>Gold</i>	<i>Silver</i>	<i>Bronze</i>
Items	Details	\$30,000	\$20,000	\$12,500	\$7,500	\$4,000
Registration	Free registration	5 “all access” passes (Main conference, workshops, and tutorials)	4 “all access” passes (Main conference, workshops, and tutorials)	3 “all access” pass (Main conference, workshops, and tutorials)	2 “all access” pass (Main conference, workshops, and tutorials)	1 “all access” pass (Main conference, workshops, and tutorials)

Additional Event Visibility

We offer the following additional opportunities for further visibility at the conference:

Item	Description	Fee
Welcome Reception	On the evening (June 28, 2026) prior to the main technical program, the conference will host a Welcome Reception with drinks and light food. The sponsor will have a banner prominently displayed, indicating the reception is sponsored by the company.	\$5,000
Award Ceremony, Banquet and Excursion	On one evening (June 30, 2026), the conference will hold a Banquet and Excursion. The event also include the ceremony for ISCA-related prizes and IEEE/ACM society awards. The sponsor will have a banner prominently displayed, indicating that the Banquet and Excursion including the award ceremony is sponsored by the company.	\$8,000

Contact Information

For more details, please contact:

- **ISCA'26 General Co-Chairs**

James Tuck (jtuck@ncsu.edu), Huiyang Zhou (hzhou@ncsu.edu)

- **ISCA'26 Industry Liaison Co-Chairs**

Jin Wang (jinw@nvidia.com), Rajeshwar Vanka (rajeshwarv@google.com)

- **ISCA'26 Finance Co-Chairs**

Yuanchao Xu (yxu314@ucsc.edu), Samira Mirbagher (smirbag@ncsu.edu)

Sponsorship Steps

To be a sponsor for ISCA, please email the General or Finance Co-Chairs the following information (after that, an invoice will be sent to you):

- Sponsor name
- First name, last name, and email of contact at the company
 - You can specify several people to be copied with the invoice
- Complete mailing address
- Fund amount

Looking forward to seeing you all in Raleigh!
